

COSMOPOLITAN

12 of the most jaw-dropping hotel beds that you will never want to leave

Comfiness with an added splash of an incred view

by [OLIVIA BLAIR](#) MAR 15, 2019

3 of 12

Singita Kruger National Park, South Africa

In the Singita Lebombo Lodge at Singita Kruger National Park, there's two choices of dreamy beds overlooking the plains where lions, giraffe, zebra and more all live. There's the actual bed and then a day bed outside, complete with a mosquito net, so guests can choose to sleep under the African night's sky instead.

Rates start from £1,165 pp per night.
