## ABOUT SINGITA

Singita's evolution from a single-lodge company to one that is now responsible for a million acres of land, operating 12 lodges and camps in five wilderness regions across three African countries, has always been characterised by a pioneering spirit and a sincere desire to preserve wilderness areas for future generations. Its low-impact, high-value tourism model – fewer guests paying a premium for the privilege of experiencing vast open spaces – exists to sustain these wilderness areas and their resident wildlife, while providing an exclusive safari experience.
